

Screen Test Mobile Schedule 2017

Screen Test provides screening mammograms at two fixed location clinics, one in Edmonton and one in Calgary. Screen Test has two mobile screening trailers that provide services to women in over 110 communities in rural Alberta every year. Screen Test provides high quality screening mammography and breast health education, and has consistently exceeded international standards for the early detection of breast cancer. The Screen Test Mobile trailers visit communities throughout Alberta on a rotating schedule. (Screen Test Mammography Sites 2017). Dates are subject to change.
