

## Screen Test Mobile Schedule 2022

Screen Test is a service of the Screening Programs division of Alberta Health Services providing screening mammograms to the women of Alberta. Screen Test operates two mobile digital mammography units, with one operating in central and southern Alberta and the other operating in northern Alberta. Screen Test provides service to 122 communities including 28 Indigenous communities. Fixed sites in Edmonton and Calgary provide mammography services as well as support for the mobile clinics.

Due to COVID-19, screening services were suspended for several weeks in 2020 resulting in a delay in the Screen Test mobile unit visit to many communities. Screen Test mails recalls to clients who are due or overdue for their mammogram about 6 weeks before the clinic, and general awareness includes notices to healthcare provider clinics, emailed announcements to community partners, posters, and newspaper ads.

**Call 1-800-667-0604 to confirm Screen Test dates for your community and to book an appointment.**
