Cancer screening notifications are going paperless

Mailed cervical, colorectal and breast cancer screening letters are being phased out. Eligible Albertans will start receiving these notifications electronically through MyHealth Alberta's MyChart.

- Cervical Cancer – Started Sept. 15, 2026
- Colorectal Cancer – Starting 2027
- Breast Cancer – Starting 2027

Patients not enrolled in MyChart will continue to receive printed letters through Canada Post.

Visit screeningforlife.ca for more information.

Use the QR code to learn how to get started with MyChart.
