

Screen Test Mobile Schedule 2025

Screen Test is a service of the Public Health, CDC and Screening Programs of Primary Care Alberta providing screening mammograms to the women of Alberta. Screen Test operates two mobile digital mammography units, with one operating in central and southern Alberta and the other operating in northern Alberta. Screen Test provides service to 120 communities including 28 Indigenous communities. Offices in Edmonton and Calgary provide support for the mobile clinics.

Screen Test mails recall letters to clients who are due or overdue for their mammogram about 6 weeks before the clinic, and general awareness includes notices to healthcare provider clinics, emailed announcements to community partners, posters, and newspaper ads.

**Call 1-800-667-0604 to confirm Screen Test dates for your community
and to book an appointment (for confirmed dates only).**
